

MAJOR EMERGENCY HYDRATION PALLET

For Major Emergency Incidents, this two-piece Hydration Pallet can be loaded on Support Utility 3 Stake Bed Truck or off-loaded into Support Utility 4 Plug Buggy. The hydration pallets have 1152 bottles of water and 576 bottles of Gatorade for a TOTAL of 1728 drinks available on the pallet.

In addition to the hydration fluids the pallet also carries one - 100 quart cooler for ice, an ice scoop, five styrofoam disposable coolers, two each of cardboard trash and banker boxes, and a roll of trash bags. These supplies are used to make disposable drop boxes that can be left behind at the scene of a major emergency.
